Subject: BPA Adel Verpflichtet/Hoity Toity Fifth Round Begins!
Date: Monday, January 26, 2009 9:49:28 PM

Greetings and welcome to the final preliminary round!

I hope you've been enjoying all your Adel Verpflichtet games!

The deadline for first round games is one week from today (with subsequent rounds ending every two weeks). There is still one first-round game running. The players in that game should pick up the pace. Please move at least once per day.

Four second-round games and one third-round game have finished!

The official website of this tournament is: http://www.gameaholics.com/adv_tournament.htm. You'll want to keep an eye on the site as games finish and the points start adding up. I should have this round and an update posted by Wednesday.

We'll continue to handle the pairings the way we did last round. The person who creates the game should email the password they choose to the other players. Please remember that passwords are case-sensitive!

The creator of the game should be certain to use the exact game name and comment and to allow for 4 or 5 players (do not allow for 3 or 6). The sign-up deadline for this game is Wednesday at 6 pm MST. Games may start after that once at least four players are signed up.

The priority for pairings this turn was 1) to put players who haven't had a four-player game into one, 2) to ensure that players who'd been in two four-player games were not in another, and 3) to limit repeat opponents to one. Family members were still kept apart. Everyone who played all five prelim rounds ended up playing 16-19 different opponents.

Good luck in the last preliminary game! Have fun!

John
