Subject: BPA Adel Verpflichtet/Hoity Toity Second Round Begins!
Date: Monday, December 15, 2008 7:12:36 PM

Greetings Thieves, Detectives, Exhibitors, and Big Spenders!

I hope your holidays are shaping up wonderfully and that you're enjoying action in the auction houses and castles of Europe too! I've attached the second round pairings! I hope you're enjoying your first round games (no panic necessary -- I expect the third round will begin before anyone finishes their first game).

I kept one anchor player in each game and shuffled the opponents off to other games. That let me keep family members apart. After that, I swapped a couple of players so that no one would be in a second 4-player game already!

Again, each game should be set up by the first person on SpielByWeb. When you go to SpielByWeb, check to see if your game is available for sign-up. If so, sign up! If not, create it. Be sure to use the game name, ultra-secret password (all CAPS), and comment exactly as shown (cut & paste). Every game should be set up for 4-5 players (to allow flexibility).

Please join your game by Wednesday at 6 pm. Please sign in and move in the games where it's your turn at least once per day. After Wednesday at 6 pm, the game's creator has the option to begin as soon as four players have signed up.

The official website of this tournament is: http://www.gameaholics.com/adv_tournament.htm. This round's pairings will be posted later this evening.

Let the skullduggery begin!

John
