Subject: BPA Adel Verpflichtet/Hoity Toity Third Round Begins!
Date: Monday, December 29, 2008 9:57:12 PM

Greetings Vacationing Competitors!

It seems like almost every game has someone on vacation these days -- probably in Europe showing off your goodies at Castles, eh?

I kept the game anchors and kept family members away from each other for one more round, but that won't be true again next round. In fact, a few players are already in their second four-player game (mostly thanks to needing to have four four-player games this round). I'll try to ensure that everyone who hasn't had a four-player game is in one next turn and that those that have been in two aren't in another (if I can help it).

The official website of this tournament is: http://www.gameaholics.com/adv_tournament.htm. The website is completely up-to-date (it even has a copy of this newsletter and the new pairings).

Interestingly, the website also shows the scores from the first four completed games -- including a round two game that finished earlier today. Congratulations to Curt Collins and Kevin Wojtaszczyk for being our lightning players -- both are finished with their first two games. Good thing we're starting a new round today -- otherwise, they'd fall into mischief and start robbing art exhibits or something.

Each game should be set up by the first person who logs onto SpielByWeb. When you go to SpielByWeb, check to see if your game is available for sign-up. If so, sign up! If not, create it. Be sure to use the exact game name, ultra-secret password (all CAPS), comment, and number of players shown (always allow for 4 or 5 players, please -- even if 5 are assigned). Because so many players are on vacation, the sign-up deadline for this game will be next Monday at 6 pm. Games may start after that once at least four players are signed up.

Let the bidding and exhibiting begin!

John
