<<First Name>> <<Last Name>>, Art Collector Extraordinaire:

At long last, it's time for the 2021 Adel Verpflichtet/By Hook or by Crook/Hoity Toity PBEM tournament. Sign up promptly as membership verification and pairings will be on April Fools' Day at 6 pm Eastern Daylight Time (this coming Thursday). So don't dally -- sign up today!

To sign up, I need your name, your SpielByWeb name (go to that website to sign up for an account if you don't have one), and an indication that you've read the format (gameaholics.com/adv_bpa/adv_format.htm). Aside from the dates, it hasn't changed since last time. You also need to be a BPA member for 2021 (see boardgamers.org/about_terms.html).

Allan Jiang is our reigning champion, all-round best exhibitor, and five-fingered "collector." Congratulations to him -- and good luck to all those who want to outpace him around Europe's finest castles and palaces this year!

Join the action today, <<First Name>>!

John
